SsangYong is now one of New Zealand's favourite lifestyle vehicle brands thanks to a proudly NZ owned distribution company - Great Lake Motor Distributors.

TIVOLI

Turbo

BORN TO LEAD

With its elegant design and numerous upgraded features, Tivoli is born to lead.

AT THE FOREFRONT OF STYLE

The Tivoli radiates excellence and refinement with strong, confident styling that truly sets it apart from the rest of the field.

1

2

1 Daytime Running Lights (Limited)

2 Radiator grille

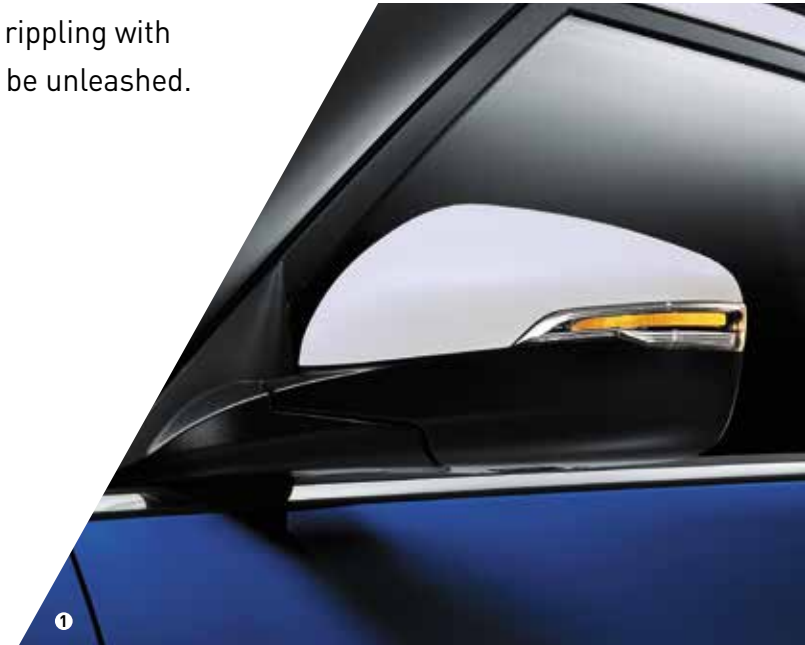

ALWAYS SHOW YOUR BEST SIDE

It's a strong profile. Tivoli's side character lines are rippling with power that's about to be unleashed.

1

2

1 LED side repeaters

2 18-inch diamond cut wheels (Limited)

LEADING FROM BEHIND

Bold-looking LEDs combine with other playful design touches to project a modern, jazzy look. It's unique—it's the Tivoli.

❶

❷

❶ Rear combination lamp with LEDs

❷ Rear bumper

FULLY CONNECTED

The driver-centered cockpit has an elegant look and feel. Gauges and controls are perfectly intuitive. That's the mark of good design.

8" smart audio system with rear view camera display and Bluetooth smartphone link.

Google Android Auto and Apple CarPlay

SOLID PERFORMANCE

This smooth and quiet performer uses direct injection and turbocharging to squeeze the most energy out of each drop of fuel while generating low emissions with improved low-speed torque performance and superior start/overtaking acceleration in the maximum torque classification, for a more exciting driving experience.

1.5 GDi-Turbo Petrol engine

Max Power
163ps/5,500rpm

Max. Torque (with MT)
280Nm/1,500~4,000rpm

AISIN 6-speed automatic transmission

Fitted on some of the finest cars in the world, the tested and proven AISIN 6-speed automatic offers smooth and quiet gear shifting with maximum fuel efficiency.

Smart driving modes

Selectable drive modes (Normal/Sport/Winter) optimize traction distribution and the gear shift schedule to suit driver preferences and road conditions.

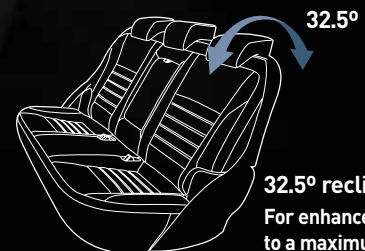

- | | |
|--------|---------------------------------------------------------------------------------------------------------------------------|
| Normal | A basic driving mode that provides balanced fuel efficiency and superb performance on the road |
| Sport | A driving mode for acceleration and dynamic driving |
| Winter | Starts out in 2 nd gear (skipping 1 st) helping improve tire traction in slippery road conditions. |

MOVE UP

Move up in the world with the Tivoli. It offers comprehensive convenience features and advanced safety systems for a comfortable and enjoyable driving experience.

32.5° reclining rear seats

For enhanced comfort, the rear seat backrests can be tilted up to a maximum of 32.5 degrees away from the vertical position.

TIME TO RELAX

A time and a place to relax: The new Tivoli has it all. Its upscale cabin is well-appointed so you can take it easy.

Seating variations

Standard

2nd row fully folded

2nd row 40% folded

2nd row 60% folded

Rear center armrest

Rear passengers can travel in armchair comfort thanks to the center armrest that folds and stows away to make room for a third passenger.

ACTIVE SAFETY

Electronic Stability Program (ESP)

ESP employs a combination of throttle intervention and braking of individual wheels to help maintain directional stability over all types of road surfaces and in adverse weather conditions.

Brake Assist System (BAS)

On detecting a panic braking situation, BAS boosts braking pressure to its maximum thus reducing the braking distance and the risk of a serious accident.

Anti-Rollover Protection (ARP)

ARP adjusts the amount of engine output and braking power delivered to each individual wheel while driving around sharp turns at high speeds to prevent the vehicle from rolling over.

Emergency Stop Signal (ESS)

During hard braking, ESS automatically activates the emergency flashers thus warning the vehicles behind.

Hill Start Assist (HSA)

When the driver lifts his foot off the brake while starting on a steep hill, HSA will momentarily maintain braking pressure until the throttle is applied so that the car does not roll backwards.

Hill Descent Control (HDC)

On extremely steep hills, activating the HDC function will automatically shift the vehicle into low gear and begin pumping the brakes to maintain a safe and slow descent.

YOU'RE PROTECTED

We've got you covered from every angle: 360-degrees, in fact.

Our comprehensive safety features to protect you
in every imaginable scenario.

6 Airbags

- 1. Driver airbag
- 2. Front passenger airbag
- 3. Front thorax airbags (left/right)
- 4. Curtain airbags (left/right)

Disc Brakes

Ample-sized front / rear discs have ventilation added to the front for maximum stopping power.

Safety belt dual pretensioner

Pre-tensioning mechanism greatly reduces the risk of serious injury.

EXPRESS YOURSELF

Make it perfect with the colour you want. Express your unique personality by choosing from a palette of trendy colours and optional extras. The choice is all yours.

EXTERIOR

In standard trim, the new Tivoli comes remarkably well-equipped but if you want to add that personal touch, there are a range of options that will further enhance your driving convenience and enjoyment.

Projection headlamps

Bulb-type fog lamps

High-gloss intake grille

LED repeaters on exterior mirrors

Power side-view mirrors (Limited)

High mounted LED stop lamp

Rear fog lamp

Glossy black garnish on A-Pillar

Black or Silver Fashion roof rails (Limited)

Chrome moulding along the beltline and bonnet

Aerodynamic rear spoiler

Roof-mounted pole antenna

Stainless steel front door scuffs

Safety power window on driver's side

Rear reflectors

Parking assistance system (front & rear) (Limited)

Rearview camera and monitor

Aero-type wipers

Rain sensor

INTERIOR

Standard instrument cluster

Dual-Zone full auto A/C (Limited)

Manual A/C (Sport)

Tilt-adjustable steering column

USB

Hands-free audio switch / Cruise control switch

Auto light control

Sunvisors with illuminated vanity mirror

Smart key (foldable)

Centre console with dual cup holders

New centre armrest with storage

Backrest looped bungee cord

Large capacity door map pockets

Cargo space divider/Standard

6 speakers (4 in the doors, 2 tweeters)

FEATURES LIST

	Petrol Sport	Petrol Limited		Petrol Sport	Petrol Limited		Petrol Sport	Petrol Limited
MECHANICAL			CLIMATE CONTROL			CONVENIENCE		
163ps 1.5-litre GDI-Turbo petrol engine	•	•	Manual air conditioning	•		Conventional instrument cluster (standard)	•	•
6-speed automatic transmission with manual gear change selection	•	•	Dual Zone Auto air conditioning		•	LED repeaters on exterior mirrors		•
Macpherson strut front suspension	•	•	Rear heating duct to optimise climate control throughout the vehicle	•	•	LED repeater on fender (standard)	•	
Torsion-beam rear suspension	•	•				Electronic cruise control	•	•
Electric power steering	•	•	SAFETY			8" high-resolution touch screen with audio streaming and link to rearview camera	•	•
Fuel tank	47 litre	47 litre	Reinforced monocoque body structure	•	•	USB memory slot, Aux. port and HDMI port	•	•
Driving Modes (Normal, Comfort, Sport)	•	•	Door impact beams for optimal protection from side effect	•	•	Bluetooth hands-free	•	•
			Front airbags for driver and passenger	•	•	Roof-mounted pole antenna	•	•
APPEARANCE			Safety belt load limiters and dual pre-tensioners	•	•	Heated rear window with defrost timer	•	•
Piano-black radiator grille	•	•	Curtain airbags front and rear	•	•	Safety power window on driver side	•	•
Bright chrome on belt line and bonnet edge	•	•	Side airbags for first row	•	•	Remote keyless entry system with folding key and panic alarm	•	•
Privacy glass for rear door windows and tailgate		•	Airbag On / Off switch for front passenger	•	•	Six speakers, including two tweeters for high level sound output	•	•
Sporty rear spoiler with high mounted LED stop lamp		•	Rear parking sensors		•	Steering wheel-mounted audio controls	•	•
16" alloy wheels with 205/65R tyres	•		Front parking sensors		•	Trip computer with outside temperature gauge	•	•
18" alloy wheels with 215/50R tyres - diamond cut		•	4-channel anti-lock braking system	•	•	12V DC power outlets beneath the instrument panel and in the cargo room	•	•
Temporary spare tyre	•	•	Electronic Stability Programme with HBA, HSA, ABS, TCS, BAS and ARP	•	•	Exterior mirrors - electrically adjusted, folded	•	•
Leather steering wheel cover	•	•	Emergency stop signals	•	•	Keyhole illumination	•	•
Silver accented instrument panel with black interior	•	•	Ventilated front disc brakes	•	•	Digital clock	•	•
Floor mats	•	•	Rear disc brakes	•	•	Dual gas-filled tailgate struts	•	•
LED daytime running lamps		•	Front fog lamps	•	•	Centre storage console	•	•
Rear combination lamp with LED	•	•	Rear fog lamp	•	•	Tailgate mounted handgrip for easy closing	•	•
Side repeater on the fender	•	•	Immobiliser anti-theft system	•	•	Cup holders on the front console	•	•
Exterior door handles in body colour	•	•	Hand-operated parking brake	•	•	Sun visors with illuminated vanity mirror	•	•
Hybrid wiper blades	•	•	Childproof safety locks	•	•	Sun visor vanity mirror (standard)	•	•
Interior door handles in chrome	•	•	Automatic speed-sensing door locks	•	•	Toolbox in the cargo bay	•	•
Stainless steel front door scuff	•	•	Height-adjustable safety belt (front)	•	•	Tilting steering wheel	•	•
Two-tone exterior		•	Reminder alarm with speed-sensing feature for front	•	•			
SEATING			3-point central rear safety belt	•	•			
Height adjustable driver's seat	•	•	ISO-FIX and tether anchorage for child seat	•	•			
60:40 split folding rear seats	•	•						
Woven cloth upholstery	•							
TPU and Cloth upholstery		•						
Adjustable front seat headrests	•	•
